H.Em. Cardinal Czerny had gone to El Salvador to help the Jesuit community at the University of Central America, El Salvador after the death of the martyrs in 1989. At that time, he became friends with Dean Brackley, S.J. who had also gone to El Salvador. Currently, Czerny is Under-secretary of the Migrants and Refugees Section of the Holy See's Dicastery for Promoting Integral Human Development. He will speak on "Remembering Dean for tomorrow." We will also have additional guest speakers, as well as guest musicians from *Centro Arte Para la Paz* in Suchitoto, El Salvador (photo below). This webinar is free for students; we request \$10 to \$50 donation from other attendees. When you register, you will be asked to make a donation pledge, and then you will be sent the instructions with two options to send your pledge money (online or by check in the mail). Each year for the past eight years, your generous donations have helped provide several students at UCA with the scholarships they need to complete their education. Co-sponsored by University Ministry, Jesuit Community at Detroit Mercy, LatinX Student Association and the Gesu Peace and Justice Committee.
